Sub: Establishment - Highways Department - Bellary Divn. Temporary special staff for Sandur Section - Permanent retention - Proposals.

Ref: From the C.E.(H) Letter No.73761.H4.52.4 dated 6-4-1953.

-:-

Please see the letter from the C.E.(H) at page 1 c.f. The C.E.(H) has submitted proposal for the formation of a permanent section with the following staff for attending to road and other connected works of the merged area of Sandur:-

One Supervisor

One Attender and

One Peon.

The above staff was continued from time to time and the continuance last sanctioned in G.O.No.1084, Public Works, dated 13-3-1953 exists upto 31-3-1954. In view of the fact that the special staff sanctioned and continued year after year is required for the normal maintenance of the roads in Sandur Section, the C.E.(H) has requested that the staff may be sanctioned on a permanent basis. It may be mentioned that the erstwhile Sandur State has been merged with the Bellary District and the mileage of roads taken over by the Highways Department is about 58½ miles.

2. In connection with the permanent retention of certain posts in Salem North and Coimbatore North Highways Division, it was held that the question might be deferred pending formation of the Andhra State. It was also considered that such defefence would not however affect the personnel adversely as orders issued later on could be given retrospective effect, if necessary and the persons could be confirmed with retrospective effect.

Accordingly orders were issued in G.O.No.574, P.W. dated 9-2-1953 deferring the proposal. In the circumstances it is submitted that the proposal in this file also may be deferred pending formation of the Andhra State.
